### **Stamping Fee Change – Effective January 1, 2025**

The Board of Directors voted to increase the stamping fee from 0.10% (.001) to 0.30% (.003), effective January 1, 2025.

The new 0.30% stamping fee will apply to all policies with an effective date of January 1, 2025, or after, as well as endorsements on those policies.

The effective date of the original policy determines the stamping fee on any subsequent endorsements.
